ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

No.TL10/843(2)/2021-MED

Office of the VC& MD
RTC House, Vijayawada.
Date: 25.11.2021.

Circular No: 13/2021-MED. Dated: 25.11.2021

SUB: VEHICLES – Implementation of new colour scheme for Pallevelugu Buses –
Issue of instructions – Reg.

Ref: Circular No. 10/2021-MED. Dated.12.10.2021

The Corporation is holding a fleet of 9104 RTC buses and major share is Pallevelugu buses (4195 to an extent of 46%). The image of the Corporation depends on these Pallevelugu buses for better appearance, physical condition and mechanical maintenance.

These Pallevelugu buses are operating mostly in rural areas and contributing huge losses to the Corporation. To increase the patronage, the Corporation is insisting for better upkeep of Pallevelugu buses.

Accordingly, vide circular cited at reference, it was instructed to undertake face lifting activity of Pallevelugu buses to improve the condition and appearance of bus body and proposed for face lifting of 1285 buses immediately at Zonal Workshops and Depot level. Further, instructions were issued to complete the task on or before 31.03.2022.

In continuation to the above efforts made to improve the appearance of the Pallevelugu buses, it is decided to modify the existing colour scheme of Pallevelugu Buses to give a different look in order to impress and attract more rural public to travel in these buses.

After having thorough examination of various colour patterns and keeping in view of the aesthetics and extensive deliberations with all the Executive Directors & suggestions from field, a new colour scheme has been developed for exterior painting of Pallevelugu buses. It is decided to paint all the existing Pallevelugu buses with newly designed colour scheme in phased manner.

The detailed drawings, depicting the colour scheme for Pallevelugu buses are enclosed at Annexures (A)& (B) for reference.

The paint colour and shade reference of the approved modified exterior colour scheme for Pallevelugu buses is furnished hereunder:

Type of Bus	Paint Colour	Shade Reference	
		Asian PPG	Akzo Nobel
Pallevelugu	Eco Green	G185	199226
	Tata Grey	0636	199054
	Crystal White	0934	199037

Hence, it is instructed to paint the proposed new colour scheme on Pallevelugu buses which were taken up for face lifting activity as per the instructions given through circular cited at reference in 1st phase.

Further, it is to instruct that the remaining Pallevelugu buses shall be painted with new colour scheme synchronizing with FC attention. Hire Pallevelugu buses also shall be painted with new colour scheme as and when the vehicles are produced to the regional committee, for inspection at the time of FC renewal.

Chief Controller of Stores is advised to take immediate action for procurement of required paints of shades mentioned in the above table.

Chief Mechanical Engineer (C&B) is advised to ensure the implementation of modified colour scheme for new Pallevelugu buses fabricated in future.

All the Depot Managers/ Dy.Chief Mechanical Engineers/ Works Managers are advised to note the above changes in the colour scheme for Pallevelugu Buses and strictly adhere to the new colour scheme as and when the Pallevelugu buses are undertaken for FC attention at Depots and BCO/SR works at Workshops.

These instructions supersede all the earlier circular instructions issued on the Pallevelugu Bus Body Colour Schemes.

Please acknowledge.
